Moderato

VOICE

Our boys from the U. S. A. sure held fast the line, It was great to cel-e-brate the cross-ing of the Rhine.
 Count-less thousand in the ranks, men who nev-er lagg'd, Sac-ri-fic-ing ev'ry-thing for na-tion's dear old flag.

CHORUS
 Moderato

Here's to our sol-dier boys who fought o-ver there, They fought for lib-er-ty and jus-tice ev'-ry-where;

p-f

They storm'd the trench-es with fire, shot and shell, They made the old Kai-ser know that war was real-ly hell. So

mf *f*

we're for the Tom-mies who always took a chance, And for the Po-li-ous from dear old sun-ny France, But our

p

own lad from home fought as long as he could see, So your Un-cle Sam is might-y proud of Sam-mie.
